**Blu Monsoon**

One of the most sought after jazz bands in Northeastern Ohio, Blu Monsoon's contemporary jazz music is created to have broad appeal without being cliché. In addition to original material, they perform unique interpretations of classics such as The Chicken, Autumn Leaves, Chameleon and Fly Me to the Moon. They also play arrangements of pop hits by diverse artists such as Sam Smith, Alicia Keyes, Maroon 5 and Amy Winehouse.

**July 22**

**The Chardon Polka Band**

This delightfully eccentric gang is among the greater Cleveland area's most recognizable performers. The band's range of style is as equally eccentric as its members. The band plays traditional polkas reminiscent of "The Lawrence Welk Show", a style that has endeared them to traditional polka fans, but sometimes morphs into punk-rock renditions of the same songs. They throw in comedic renditions of oddball favorites, bizarre audience participation songs, and even polka-rock covers of anything from Twisted Sister's "We're Not Gonna Take It" to Queen's "Fat Bottomed Girls" to Lady Ga Ga's "Bad Romance"!

**July 29**

**The Pop Tarts**

Hey Boys and Girls! Get ready to Twist, Jerk and Swim! Shine up your peace signs, slip on your go-go boots and head back to the 60's for some groovy retro entertainment featuring The Pop Tarts! Toasty, warm and READY to serve! You'll LOVE 'em! In retro 60's fashion, movement and perfect harmony, the Pop Tarts perform a decade of hit favorites from the best of the 60's girl groups and female pop singers such as The Chiffons, The Shirelles, The Supremes, Lesley Gore, Dione Warwick, Martha Reeves and The Vandellas, and Nancy Sinatra. Musically....SENSATIONAL. Visually...A BLAST (from the past)!!!!

**Tres Cervezas**

Chesterland's own Tres Cervezas performs an eclectic mix of Classic Rock and Modern Country that most listeners will recognize. Formed in 2015 by John Simonelli (rhythm guitar/tech) and Dan Danszczak (lead guitar/vocals), Tres Cervezas also features Bob Horrocks (lead vocals), Ed Kuhar (bass guitar), Mike Janowitz (Drums/Percussion) and Kris Weir (vocals). Enjoy their influences and balanced Acoustic/Electric mix.

**Ted Riser**

Ted Riser, "The Music Man" and celebrated singer, musician, and songwriter who's taken his unique blend of Southern rock, country, and blues from Sturgis, SD to Key West, FL brings his show to Chesterland for a rollicking, frolicking, whole-lotta-fun evening. Come hear him play his latest hit "Don't Leave Your Beer In The Sun", as well as watch him play 5 instruments (harmonica, guitar, kick drum, snare drum, tambourine, percussion) all at the same time!

**FM77**

Take a trip back in time to the year 1977 as FM77 performs hits you were listening to on your FM dial back then (plus 1978, 1979, and some early 80's because it's great stuff too). Through the combination of musicianship and technology these musicians reproduce many songs you don't hear other bands play. From their Fleetwood Mac tribute blocks to all the great music from the 70's era, they bring back memories of those fabulous times. FM77 features four uniquely powerful vocalists enabling them to cover a wide variety of songs. All members of FM77 are seasoned musicians who have been playing in local bands for over 30 years.
